\*ATRA Eligibility is ultimately determined by ATRA upon time of application for Professional Membership. Students should communicate with ATRA to determine which courses are most appropriate.

\*\*NCTRC Eligibility is ultimately determined by NCTRC upon time of application for CTRS designation. NCTRC acceptance is decided on an individual student basis. The previous identified NCTRC eligible courses are based on previous acceptance by individual students. Absolute acceptance to be determined on an individual basis by NCTRC only. To contact the NCTRC please go here; <http://nctrc.org>
